## SIX CAPTAINS TRANSFERRED.

Police Board Orders a Shake-Up at the Suggestion of Supt. Byrne.

MEAKIM GOES TO TREMONT.

Thompson Takes His Place, and Gallagher and Smith Change Precincts.

PRICE TO MACDOUGAL STREET.

McCullagh, Who is in Command There, Will Go to the West 37th Street Station.

Another shake-up among the police captains was ordered by the Police Board this afternoon upon the recommendation of Supt. Byrne.

CAPT. JOHN GALLAGHER. Capt. William Meakim, of the West One Hundred and Twenty-fifth street station, was transferred to the Tremont station, to succeed Capt. William Thompson, who will assume command of Meakim's old precinct.

Capt. John Gallagher, of the East Twenty-second street station, will be sent to the West Sixty-eighth street station, in place of Capt. Elbert O. Smith, who will be the commander of the station vacated by Gallagher.

CAPT. WILLIAM THOMPSON. Supt. Byrne desires a younger and more active man, and for that reason selected Capt. McCullagh.

Capt. Meakim has been on the sick list since the week before the adjournment of the Senate Committee. He is really in a bad state of health and unable to give the attention required in so large a precinct as the Thirtieth.

Capt. Thompson, although an older man, is in vigorous health, and it is said has been anxious for some time to come down from his exile among the goats and rocks of Tremont, to a more lively precinct.

The West One Hundred and Twenty-fifth street, the East Twenty-second street and the West Thirty-seventh street stations, Supt. Byrne thinks, have not shown as good results as might be expected.

Those who take command to-morrow will be told just what is expected of them and warned to avoid the old rut in which their predecessors have been moving for so long.

A number of other transfers, it is said, were considered by the Board to-day. It is positively known that Supt. Byrne has been contemplating numerous changes, but it is evident that he proposes to effect the transfers gradually.

The Board, it is said, will carry out every recommendation the Superintendent makes, whatever may be the nature of it.

The occurrences of the last few days have given rise to the opinion about Police Headquarters that Byrne means to stick to his post.

Capt. Patrick H. Pickett, who was transferred from the East Eighty-eighth street station to the Tenderloin precinct, in West Thirtieth street, by the Police Commissioners on Wednesday last, took charge of his new command at 8 o'clock this morning.

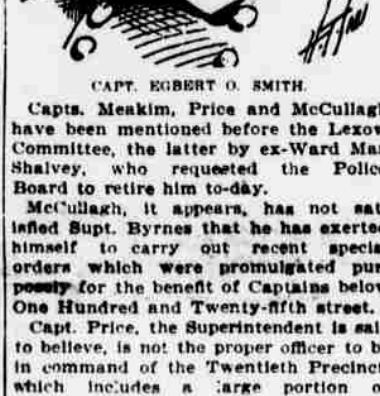

CAPT. ROBERT O. SMITH. Capt. Meakim, Price and McCullagh have been mentioned before the Lexow Committee, the latter by ex-Ward Man Shalvey, who requested the Police Board to retire him to-day.

McCullagh, it appears, has not satisfied Supt. Byrne that he has exerted himself to carry out recent special orders which were promulgated purporting for the benefit of Captains below One Hundred and Twenty-fifth street.

Capt. Price, the Superintendent is said to believe, is not the proper officer to be in command of the Twentieth Precinct, which includes a large portion of the Tenderloin.

His record has been embroiled to a considerable extent by complaints at Police Headquarters.

It was only recently that he was charged with failing to break up gambling dens in his precinct.

CAPT. WILLIAM THOMPSON. Supt. Byrne desires a younger and more active man, and for that reason selected Capt. McCullagh.

Capt. Patrick H. Pickett, who was transferred from the East Eighty-eighth street station to the Tenderloin precinct, in West Thirtieth street, by the Police Commissioners on Wednesday last, took charge of his new command at 8 o'clock this morning.

At the same hour Capt. Schmittberger, the ex-commander of the Tenderloin station, and Capt. Washburne moved down from the latter place to the Kingsbridge station.

When the platoon turned out at 8 this morning Capt. Pickett made a little speech, telling the men he expected them to do their duty.

Commissioner Sheehan, however, was not present, having been compelled to go home on account of the recurrence of his stomach trouble.

Supt. Byrne was present throughout and did most of the talking. He stated his reasons for recommending the transfers, undoubtedly convincing the Commissioners that the little earthquake was all for the "good of the service."

What those reasons were, however, neither the Superintendent nor any of the

Favorites' Day at the Alexander Island Track.

(Special to The Evening World.) RACE TRACK, ALEXANDER ISLAND, Jan. 11.—In marked contrast to yesterday's day was an ideal one for racing, and but for the condition of the track little fault could be found with the sport.

The circular course was still too dangerous to permit racing over, and the distances of the last two events were changed to permit them to be run from the chute.
